Young Impactmakers Community – Event Support

About YIM

The Young Impactmakers community supports talented young people who want to do good while doing business, either by starting their own impact enterprise or by being an intrapreneur and work towards a better world.

Next to hosting sessions every two months at the Impact Hub Amsterdam, Young Impactmakers gives young entrepreneurs a toolkit to take talent and ambition to the next level - from hands-on workshops and matchmaking events, to a strong network, problem-solving power, a testing stage, dinners, an online community and more!

Job description

For our monthly events, we are looking for enthusiasts who want to organize the events and co-host them with us. Every month we address another theme related to sustainability or social impact. Varying from fashion, circularity, inclusion, tech for good, or what matters to YOU!

Being part of the event support, you join us for one year and host 2 events, which will take about 1 day per month. This includes brainstorming about the topic, contacting speakers and organising a meaningful event!

What's in it for you

- Follow six workshops in social entrepreneurship from founding partners [Starters+Communities](#) and [Impact Hub Amsterdam](#) + opportunities to join their network
- Being part of a young vibrant community of 2000+ members, who want to do good while doing business
- The chance to develop presentation and event hosting skills
- Creative freedom to brainstorm about topics or event guidance
- Connecting with interesting speakers and growing your network
- Awesome community drinks

Profile

Proactive, responsible & social
Affinity or interest in social entrepreneurship
Some experience with event hosting or workshop guidance, or eager to learn
Age 20-30+/-

Please send a short motivation to rutger.derijk@impacthub.net
